	<p>The three days visit had been a fruitful experience and interaction with functionaries of line dept and inhabitants of Panchayat had been beneficial. Overall good work is being done by diff. departments, however a lot more is expected from P.D., K.B. and Dept of Horticulture. Following suggestions are given for consideration.</p> <p>i) Awareness be created on decentralized governance, that power is devolved to people. This requires good participation in forthcoming panchayat elections.</p> <p>ii) Public participation in Gram Panchayat meeting especially of women needs to be more and active. Meeting be organized at convenient date/time.</p> <p>iii) Road electricity, water, sanitation are basic problems require to be addressed by concerned dept. Even people can also role active role and contribute their bit and complement Govt efforts.</p> <p>iv) PBR draft has been prepared.</p>
