I) GENERAL ASSESSMENT OF THE VISITING OFFICER:

Any major concern brought to the notice of the Visiting Officer

apathetic behaviour of most departments,
lack of general awareness about
different beneficiary schemes.

Major urgent public demand(s) that were not reflected earlier but have not been
addressed so far

Demarcation of State land and retaining
the same from illegal grabbers. Laying
of portable water pipes. Construction of
boundary wall, passenger shed
lighting of Madmulla and Teghar
villages.

III Overall assessment of visit and suggestions

(The visiting officer to ensure that the overall assessment is recorded in detail along with
concrete suggestions.)

There is apparently warm welcome of Bach to
village programme although less people
turned on but it was probably due to
harvesting season. However people express
uncertainty about the execution of their
demands. So such programmes need
practical approach from the Government.

NOTES

There was a healthy cooperation from different departments, people optimistically turned on to address their grievances on the spot or atleast to express their anguish about taxatic approach of Government functionaries.

However LDD departments is doing their job comparatively better.

Mr C Panthayat (Secretary)

played pivotal role during this period.

His skilful managerial and Christmas personality gave colour to our "B2V3" programme.
