NOTES

people of the area are annoyed with the administration find the problems highlighted in the programmes of B₂ V₁ and B₂ V₂ have not been taken up in hand till date. Therefore they leave their heart discontent in B₂ V₂ and even worse hesitant in highlighting their difficulties/problems in their programme.

Therefore it is my suggestion that administration should be compelled to comply demands of public already highlighted in B₂ V₁ and B₂ V₂ so that confidence of the ~~leada~~ Public is restored on the local administration otherwise their programme are futile exercise.
