I) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Any major complaint brought to the notice of the Visiting Officer:
II	Major urgent public demand(s) that was/were reflected earlier but have not been addressed so far:
III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

Medicines of inner lines to be supplied. Representative of Pajinagar, Ganabadi, Leilage of water which has become a threat to the houses of the inhabitants of the Panchayat. The residents suffer due to non availability of regular supply. Share and are forced to drink and use water from canal. Multiple problems were reported by the public during BSV and BSVs which include regular supply of drinking water, degradation of tube roads and repairment and deterioration of taring or leakage canal which is causing damage to the slope side of the village. Unfortunately, no problem has been addressed by the govt. as till date.

The response of the public was not upto mark. A few people who called advised extreme anger because the major problems brought into the notice of govt. during BSV and BSVs were not addressed by the concerned authorities. There is a trust deficit which needs to be looked out by the government. Paraghi, BSV is no longer 'the fact' but back to village scheme would prove something if more steps are taken by the government.
