## NOTES

Damchayat Halga Thane C faces difficulties not only because of its rough and mountainous terrain, but also because of lack of education, and awareness of the general public about various schemes and programmes launched by government, that they can benefit from.

The long term goals should be to focus on education and awareness, but more urgently the area deserves special attention by the concerned quarters to provide some urgent relief to the people.

Departments like R & B, P.H.E, P.D.D, Education and Health should be given specific instructions and targets to accomplish.
