III. Overall assessment of visit and suggestions:

(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

I personally believe that it was an effective programme but it would have been more fruitful, if there would have been complete panchayat body to go. Further I observe that most of the people did not participate in such programmes & it needs more Jan Abhiyans & other community programmes so that more & more people especially educated ones take part in it & get benefit of various schemes.
