Government of Jammu & Kashmir

Jammu & Kashmir New Vision New Horizon

LT GOVERNOR
JAMMU & KASHMIR

RAJ KHANNA
SECRETARY

Message

I am delighted to learn that the 2nd session of the multi-stakeholder Back to Work-2 (B2W2) programme, a unique and ambitious creation of Union government for the development of Jammu & Kashmir, is being organised from 27th to 29th October 2020, across Jammu & Kashmir.

In June 2019, the Government of Jammu and Kashmir embarked on the Back to Work programme, which involved the deployment of over 4000 Government officers of J&K to every Panchayat and operating for 90 days and a right there. I was also an opportunity to support and strengthen the newly constituted Panchayats. The programme also aims towards making officers more motivated and taking populace eager to share its trouble and trouble with what they had observed. As an entrepreneur and a leader, I feel such was the enthusiasm generated by the programme that the Hon'ble Prime Minister made a mention of it in his 'Man to Man' during the festival of development, public participation and public awareness.

Encouraged by the success of the programme, the government organised the Back to Work-2 (B2W2) in November 2019. This time the focus was on ensuring that funds and functions devolved to Panchayats were utilised to the best of their capacity to the maximum benefit of the people especially reach the last person in the queue. The Hon'ble Prime Minister again made mention of the programme in his Independence Day speech of 2020.

I believe the upcoming session of the Back to Work-3 (B2W3) programme will be an important, concentrated and sustained developmental push in the region. The entire programme shall be provided by a three week Jan Abhiyan (Janam Muktam) which shall focus on 3 prominent and interconnected goals: Jan Surveksh (Aaram Surveksh) - Public Grievance redressal, Adhikar Abhiyan (Adhikar Rakhi) - Public Service Delivery and Utkarsh Abhiyan (Desh Surveksh Muktam) - Delivery of Development program.

I am confident that this unique effort shall earn the respect of the people of Jammu and Kashmir and that it will be remembered for long as a unique and unique effort of the government to reach the doorstep of the people.

Message

Jammu and Kashmir has tried to achieve a transformation of Panchayats. The institutions were since their constitution in 2014. Through the first of its kind initiatives - Panchayat Village - Centre Government's decision of delegating funds, services and functions to PFRs, which with technology has facilitated in the Union Territory. A crucial step in this direction, Release 2 of the Budget Village programme 2019 provided from 2nd December 2019, which will give a crucial push to the transformation of PFRs.

We, as the first State because of its rural areas, have been facing the issues of poverty, ill health, ill employment and ill social services. Mandating the PFRs, which will provide 100% coverage of health, education, and other services.

With the help of the Government of India, the PFRs will be used as an effective tool for the development and execution. The solution is to address government and needs by providing services on the ground, thus making more effective and transparent.

Further, local initiatives are being taken up through a series of public-private partnerships. All government initiatives, with a focus on health and education, will be given priority. The government will ensure the delivery of services and delivery of services. B2V3 will be a crucial step in this direction, which will ensure the delivery of services through an integrated, user-centric Government-Private Partnership.

It is our hope that the people will be able to participate in the development of the State, thus making a difference to the people of the State.

We, as the Deputy, Government, will ensure the delivery of services through a series of public-private partnerships. The government will ensure the delivery of services and delivery of services. B2V3 will be a crucial step in this direction, which will ensure the delivery of services through an integrated, user-centric Government-Private Partnership.

It is our hope that the people will be able to participate in the development of the State, thus making a difference to the people of the State.
