- No. of households in the Panchayat: 607
- Population (approx) of the Panchayat: 4000 (Approx).

| S. No                      | Particulars                                                                 | Action taken                                                                                                 | Remarks #                                                 |
|----------------------------|-----------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------|
| III Major Problems - BZV1  |                                                                             |                                                                                                              |                                                           |
| 1                          | Almost all Link roads are in dilapidated condition and increased by public. | In 2019, 2020 Jan Abhayanji the working of Link roads has been done and modernization after contact of BZV1. | Encroachment of Link roads has been a problem.            |
| 2                          | Most of the electric wires are hanging on overhead poles.                   | Measure percentage of tubular steel poles erected.                                                           | Poles at many places to be erected.                       |
| 3                          | Poor quality of drinking water.                                             | Water in New Scheme viz. Sarbottam Scheme is likely to start soon as reported by JEPHE.                      | Most of the population will get benefited by this scheme. |
| 4                          | Conservation and restoration of various water resources.                    | No action taken yet.                                                                                         |                                                           |
| 5                          | Improper disposal of solid waste thus polluting water resources.            | This continues to be a problem and needs to be addressed.                                                    |                                                           |
| IV Major Problems - BZV2   |                                                                             |                                                                                                              |                                                           |
| 1                          | Zainagar Canal not being properly maintained/conserved.                     | No concrete action taken so far.                                                                             | Needs immediate attention.                                |
| 2                          | Dumping of waste directly into Zainagar Canal.                              | Continues to be a problem.                                                                                   | Needs immediate attention.                                |
| 3                          | Non-availability of electric poles/transmission wires.                      | Addressed to some extent.                                                                                    | Action on this issue needs to be expedited.               |
| V Major Complaints - BZV1  |                                                                             |                                                                                                              |                                                           |
| 1                          | Need for conservation of water resources mainly near Zainagar.              | No action taken so far.                                                                                      | Needs immediate attention.                                |
| 2                          | Removal of encroachments on State Land.                                     | No action taken so far.                                                                                      | Needs attention.                                          |
| VI Major Complaints - BZV2 |                                                                             |                                                                                                              |                                                           |
| 1                          | Some residents have put toilet points directly into Zainagar Canal.         | No action taken so far.                                                                                      | Needs to be stopped.                                      |
| 2                          | People put sandbags on the banks of Zainagar Canal.                         | Due to modernization of Nohar Zainagar road (bank) the sandbags got stopped dumping.                         | Vigil needs to be kept to prevent such dumping.           |

# Please indicate whether action taken in 2019 or 2020 or during Jan Abhayanji/ Awami Muhim.

## 1) GENERAL ASSESSMENT OF THE VISITING OFFICER:

|                                                                                                                                                                      |                                                                                                                                                                                                                                                                                                             |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Any major complaint brought to the notice of the Visiting Officer                                                                                                    |                                                                                                                                                                                                                                                                                                             |
| 1.                                                                                                                                                                   | Land for Panchayat office has not been demarcated so far. Needs to be demarcated. Popular trees, which are very old, need to be protected to avoid damage to life and property. There is frequent transfer of teachers in the school.                                                                       |
| 2.                                                                                                                                                                   | Boys' hostel has been constructed throughout the length.                                                                                                                                                                                                                                                    |
| 3.                                                                                                                                                                   | PDD has not been able to provide electric poles and wire as per the demands projected earlier.                                                                                                                                                                                                              |
| 4.                                                                                                                                                                   | PHE Dept. has not been able to replace the damaged pipes.                                                                                                                                                                                                                                                   |
| 5.                                                                                                                                                                   | There is poor maintenance of springs (nag) in Gogam.                                                                                                                                                                                                                                                        |
| 6.                                                                                                                                                                   | Major/ urgent public demand(s) that wish/wishes reflected earlier but have not been addressed so far.                                                                                                                                                                                                       |
| 1.                                                                                                                                                                   | Construction of playground not addressed so far.                                                                                                                                                                                                                                                            |
| 2.                                                                                                                                                                   | Construction of school building for girls' middle school not addressed so far.                                                                                                                                                                                                                              |
| 3.                                                                                                                                                                   | Construction of 2nd storey of Boys' High School not addressed.                                                                                                                                                                                                                                              |
| 4.                                                                                                                                                                   | Establishment of Allopathic Sub-Centre with Ambulance not addressed.                                                                                                                                                                                                                                        |
| 5.                                                                                                                                                                   | Issue of providing of electric poles and transmission wire not addressed so far.                                                                                                                                                                                                                            |
| III Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions). |                                                                                                                                                                                                                                                                                                             |
| 1.                                                                                                                                                                   | The existing Boys' High School may be re-located and constructed at the patch of land reported to be belonging to irrigation department, measuring around 16 Kanals. This will address the issue of playground also.                                                                                        |
| 2.                                                                                                                                                                   | The existing girls' middle school, which is operating from an unsite rented building, may be shifted to the present building of Boys' High School, upon implementation of item (1) above.                                                                                                                   |
| 3.                                                                                                                                                                   | Axis Bank Branch has not been addressing the concern of the customers on account of functioning of loans. The issue needs to be resolved on priority. The police needs to be provision of safe drinking water to the people needs to be addressed by immediately starting work on the drinking lift scheme. |
| 4.                                                                                                                                                                   | The visit was very fruitful.                                                                                                                                                                                                                                                                                |
| 5.                                                                                                                                                                   | It helped to see the problems being faced by common masses. Signature of the visiting officer on ground. It also helped to know the Name: <u>Sh. Rashed Mir</u> . See the benefits people have been availing from the schemes of the government.                                                            |
| 6.                                                                                                                                                                   | There is not much awareness among the people about the schemes of the government, in Horticulture, Agriculture, Social Welfare and other sectors. Awareness camps in convergence need to be held.                                                                                                           |

## NOTES

1/ Proper maintenance of records is required at the Panchayat. There is no proper maintenance of passbooks / registers and other records in the Panchayat at present.

2/ Proper maintenance of records like Passbooks need to be maintained in ICDS at the level of supervisor.

3/ Maintenance of records with regard to mid day meals needs to be ~~maintain~~ put in position in a proper way in the schools, especially Girls Middle School, Anagam.
