Message

I am delighted to learn that the 3rd version of the much-anticipated Door to Village-2 (D2V) programme, a unique and ambitious exercise of taking government to the doorstep of people is being organised from 2nd to 27th October 2020 across Jammu & Kashmir.

In June 2019, the Government of Jammu and Kashmir embarked on the Door to Village programme, which involved the visit of over 4000 Government officers of J&K to every Panchayat and spending two days and a night there. It was also an opportunity to support and strengthen the newly constituted Panchayats. The programme was a huge success, visiting officers were welcomed and fixed by populace eager to share its troubles and to-alls with what they had perceived as an unresponsive administration. In fact, such was the enthusiasm generated by the programme that the Hon'ble Prime Minister made a mention of it in his 'Man in Sark' talking it's a festival of development, public participation and public awareness.

Encouraged by the success of the programme, the government organised the Door to Village-2 (D2V2) in November 2019. This time the focus was on ensuring that funds and functions devolved to the Panchayats were used effectively, efficiently and that benefits of government schemes actually reach the last person in the queue. The Hon'ble Prime Minister again made mention of the programme in his Independence Day speech of 2020.

I believe the upcoming version of the Door to Village-3 (D2V3) programme will be an even more concentrated and determined developmental push in the region. The actual programme shall be preceded by a three week Jan Abhiyan (Jawan Munim) which shall focus on four interconnected and inter-connected goals: Jan Survaksha (Jawan Survaal) - Public grievance redressal, Adhikar Abhiyan (Munim Bara-e-Haqooq) - Public Service Delivery and Jan Grah Abhiyan (Deh Taraqqiyat) Munim - Delivery of Development on ground.

I am confident that this unique effort shall earn the respect of the people of Jammu & Kashmir and that it will be remembered for long as a unique and sincere effort of government to reach the doorsteps of the people.
