| <p>During a visiting officer of panchayat Chandra Chandra. I have give you some concrete suggestion. These people really had a very deplorable life. The main occupation of these people are cattle rearing &amp; agriculture. If the Government give the main focus on these two sectors then the living standard of these people may be raised upto some extent.</p> |                                                                                                                                                                |
