Their urgent need to separate churugh Hasplote village as separate Revenue village so that the Habitation may be conducted. However it has not been accepted to Public by PDC as yet some cases are still left out.

I) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Any major complaint brought to the notice of the Visiting Officer
	Major Complaint made by majority of population regarding non-providing of Road Connectivity to the Pvt. Although the proposal was submitted by the PMSSY Authorities. However as told, it may not be accepted due to non-separation of village churugh from Parent village Hasplate as the used churugh has not been exploited anywhere in the existing software and as such the Software does not accept this demand of churugh. Thus demanded Separation of Village churugh from Hasplate.
II	Major/ urgent public demands that was/were reflected earlier but have not been addressed so far
	① Providing of Road Connectivity to the Pvt was earlier projected during both E₁V₁ & E₂V₂ but it has not been materialized as yet. ② Separation of Revenue village from Parent village Hasplate with nomenclature as Village churugh. ③ Providing of Assistance Under PMAY. ④ Providing of water lift water Scheme.
III	Overall assessment of visit and suggestions (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions)
	The Pvt churugh comprises of 07 wards having hilly terrain separated almost from middle of the Pvt by a small hilllet by 04 & 03 three wards; Thus Uneven topography. The Pvt requires immediate Road Connectivity for the holistic development as the 05 wards are totally Unconnected and one ward w-No 1 has fair whether road only and w-No 6 is situated near road leading Village Mangota. The General Public in one voice demanded Road which is the main source of all other Developments. The other major demand is separation of village from Hasplate

as village churugh, the Road through PMSSY may be Constructed but Village also requires immediate separation from Hasplate, only then the Holistic Development possible.
