Overall assessment of visit and suggestions:

The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

In the first day of my visit, my assessment is that, Panchayat Ghar is much needed, along with proper drainage of the panchayat. The water for drinking (tapped) is not covered. There is poor roads, little roads facilities. Schools need repairs, painting. The superch, ponds are much aware and demands the basic facilities which I as a Officer so feels are really needed and very major problems.
