III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	<p>The main source of livelihood in the GP is farming, the major potential areas that can be utilized to improve the economic activities in the GP can be opening of Bee, poultry, Sheep and cow units and upgradation of Agriculture and horticulture sector. The major problem confronting the people in the GP is unemployment. In addition to this the old felt that people are now lacking interest to participate in Back to village programme as 99% of them earlier demands during BPL and BPL have not been addressed. Further lack of finance, a very little distribution of antenatal and postnatal services and the promoters of the panchayat body make people suspicious about the utility of panchayat. Putting all the frontline workers deployed for BPL, co-opted whole health</p> <p>Signature of the visiting officer Name: <u>Mohammad Hussain</u> Sr. Lect. HSS pahljora</p>
