6.	Public Transport System.
III	Overall assessment of visit and suggestions:
	(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	The G.P Mirpur Ram is located very near to the Tehsil H.Q but it is least developed. Almost all basic needs of the people have not been provided to them so far. The road networks in the G.P is very very dilapidated and needs attention of the administration. Water supply, electric supply and transportation needs improvement. There is urgent requirement of play field in the G.P to channelise the energy of the youths and children. Similarly as most of people in the G.P are farmers, they need a Veterinary Centre in the G.P for their animals. Similarly the enrolment in the Education Institutions (Govt) is very low. Enrolment needs to be increased. Like wise the demand of the locals for establishment of Procurement Centre for wheat & paddy is also genuine one and needs to be looked into.
