NOTES

Keeping in view the earlier visits by officials in B2V1 & B2V2 there was a lot of resentment among the people as no action has been taken on the earlier projections made during B2V1 & B2V2. So the participation of people was very low. In addition to this grass cutting season is going on & people are busy ~~in~~ in this activity, hence participation at ground level is very disappointing.

34

Most of the people who attended the programme were least interested in projecting their demands as it has discouraged them.
