III Overall assessment of visit and suggestions:
(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

Due to poor exposure of B2V1 & B2V2 people are not in treated as much as they were in the 1st phase & now due to more responsiveness of Govt side water supply to demands / queries given by the people said PWT. Satisfactory role of PWT members and support especially AOD department where contribution & Food supply during lockdown is being programme.
