Any major complaint brought to the notice of the Visiting Officer:

I As per school visitation by visitation system. P.M.A.Y. is a local. Kamnand. The Duespore, that is almost built near all school. Because like said primary is with out basic requirement like any facilities. Because most of educational system is un-employment.

II Major/ urgent public demand(s) that was/ were addressed so far:

Electric - poles & wire.

P.H.E = water supply -

Health = upgradation 150m centers.

Education - upgradation p/s. to A.P.S's
P.M.A.Y = Section 50 No = Houses.

III Overall assessment of visit and suggestions:
(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

During the visit of P.M. A.Y. - Duespore - majority of population is poor and also with out basic necessity of life. Such as Drinking water supply facility - Electricity facility, Health facility. Drive out clean water facility - near about more than - 50. families are homeless. During the visit of Duespore most of homes times are with out clean top and floor. Last 50 years middle school Duespore is not upgradation. I suggest the exam for primary system - more a bonus for primary section only selected people can participate.
