II	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions)
	In B2V3, local public are interested in that program. Because there are a lot number of work has been ^{done} till date, which are worked in B2V1 & B2V2. The overall assessment is not so good due to the case of general public. So, the concerned authorities ^{higher} representatives should need aware of Govt scheme in general public so as to implementation of that scheme is very effectively. Overall road connectivity & low drain condition of all wards (except ward no. ⑤) is good in general.
