I	Any major complaint brought to the notice of the Visiting Officer.
	<p>① There are two Govt. Schools in the Halga and the teaching staff had not arranged any community classes during lock-down due to Covid-19. No action has been taken by the concerned deptt. to resolve the problems faced by the people raised in BZV I and BZV II regarding (S.G.) to facilitate drinking water and repairment of Sarbonds.</p> <p>② Somocile Certificates are not issued by the authority as per the Govt. orders till date.</p>
II	Major urgent public demand(s) that was/were reflected earlier but have not been addressed so far:
	Drinking water facility, Lack of irrigation facility, up-gradation of link roads, establishment of play field.
III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	<p>The Halga is situated in the dense of forest. The main problem of the Halga is drinking water, there is not any natural source of water except some springs which are not sufficient. Hence it is requested that first priority should be given on this issue. ② There are two Sarbonds (water Reservoir) which are not functioning due to blockage of pipes. There is need of repairment so that somehow irrigation problem can be solved. Electricity poles should be installed for the sake of life save.</p>
