Rashid Gojar upto Nagbal Ayyar-Basti
III	Overall assessment of visit and suggestions: *(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)* The B_2V_3 programme witnessed a very good & enthusiatic participation of locals across communities & gender. However, in order to strengthen the faith of locals into Govt. institutions, the unfilled demands of B_2V_1 & B_2V_2 need to be prioritized. Besides various complaints/ demands put forth by locals, either individually or in ward sabhas (as annexed with this also need to be taken care of. Further, The role of Mr. Tanveer Ahmad Wani (ARS Gulshanpora) in the overall conduct of B_2V_3 programme has been praise-worthy.

NOTES

Gong - a Unique case

To the east of Panchayat Halga, Gulshanpora, is a small habitation namely Gong, inhabited on the bank of Chandri-Nallah. Gong is a miniscule hamlet comprising of around 100 households only. However, Gong has been uniquely bifurcated almost equally, between two Panchayat halgas. One part of Gong is the part of Panchayat halga Gulshanspora & other half of Gong is the constituent of Panchayat halga Seer Asil. This unique bifurcation, as alleged by locals, is detrimental to the interests of Gong, as both parts get peanuts share from the main Panchayat halgas. It is as such strongly recommended that Gong, enmasse, be included with only one Panchayat halga, preferably Seer, so that safeguarg of interests of locals is ensured.
