1) GENERAL ASSESSMENT OF THE VISITING OFFICER:

1	Any major concerns brought to the notice of the Visiting Officer
2	Out of many major concerns the most important one for my assessment is the <u>responsibility of the health centre</u> to the community.
3	Major urgent public demands that were not reflected earlier had time not been allowed to fill. ⇒ The rapid population demand was establishment of formal library and primary health centre. But this has not been taken as far.
4	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.) ⇒ The E2R programme is appreciated step as far practice but the priority of health given should be given consideration and <u>and</u> should be increased in time <u>without any delay</u> - why.
