III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	It was observed that the people in general were not interested to attend the BDC to village programme as was expected that a large crowd would be seen. The lack of interest is attributed to the fact that people felt that almost all of their grievances recorded in the previous BDC to village programme were not fulfilled till date. It was also noticed that most of the allied departments had deputised their fourth class employees with no or little information which also effected the programme as the feedback received could not be answered properly. But the concerned GRS namely M. Shehri was most cooperative during the whole programme.
