III	Overall assessment of visit and suggestions (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
<p>Panchayat is doing nice job for the development but still the people are very less aware of the govt welfare schemes. Also the all weather roads are just nominal in many roads. There is high demand for High school. Along with this there is high demand for High school health centre. These demands need to be addressed very soon.</p>
