The Visiting Officer,
Back To Village Program Phase IV,
Panchayat Halqa Wahidan.

Subject: Demands put forward by Govt. High School Wahidan.

02/11/22

Respected Sir,

We request your kind self that the following construction works of Government High School Wahidan may please be taken on war foot basis for the safety of school children (Human Resource) and school property:

1. Incomplete boundary wall on the front side of the school where there is always apprehension of accidents due to heavy traffic on road.
2. Leveling of the school ground, which is highly uneven, where stumps of walnut trees are posing threat.
3. Footpath connecting all the buildings of the school, as in rainy season the muddy ground becomes slippery and the mud reaches every classroom which affects the norms of Swacchh Baharat Abiyan.
4. Repairing of old-damaged school building.
5. Face lifting of school buildings, as already done in other Panchayat Halqas.

Hope our demands would be redressed as early as possible. Thank you.

Yours Sincerely
