1.General assessment of the Visiting officer.

Lack of proper road connectivity from Sangaldan to Chachawah A.

Poor electricity and mobile network connectivity.

2.Major Public Demands that was/were reflected earlier but have not been met.

Drinking water facility for the area.

Repairing of primary school at Sarlibagi.

Different link roads within the panchayat (Details are mentioned in the booklet.)

Bank Branch.

Ration Store.

Primary Health Centre.

3. Overall assessment of the Visit Officer and suggestions.

The area is housed in a remote corner of the district and is lacking in basic facilities of life.it is purely a hilly area.Dilapidated roads along with absence of PHC,drinking water facility and frequent power outages are compounding the problems of the people. The footprints of Govt.Offices except **RDD and Education** are totally absent. By and large people are not aware about the G2C services. And people were somewhat angry over the follow up action of bygone B2V phases recommendation's. **Under PMAY Scheme number of Houses have been sanctioned however the "poorest person" of the village Ab.Satar Hajam S/o Ab.Karim Hajam R/o lower Soosni ward no.6 is left out.**

Suggestions:-

1. People like Ab.Satar Hajam and others like him shall be covered under PMAY scheme as early as possible.
2. A PHC is of primary importance. It is lacking here.Vaccination is affected as people have cross a lot of distance for that.
3. A fair whether road from Sangaldan to Chachawah A is a fundamental requirement for elevating the standards of life.
4. A common play field in the village is need of the hour as its absence is crippling the talents of the young generation.
5. The local Govt.High School is housing more than 200 students (Co-ed.).It is appalling that there is no Bathroom facility for the students as well for the staff. Besides the school is understaffed that needs to be enhanced.
6. The Primary school at Sarlibagi shall be renovated as its roof was damaged by strong winds a couple of years ago.
7. A Khidmat centre of J&K Bank is essential here to help the people .It will reduce a lot of travelling burden and save time and resources of the people. People are facing a lot of hurdles in clearing Scholarship forms and other loan related documents.
8. Different P.Paths are required to be laid down at different wards nos. like 02, 03,04,05,06.
9. A link road from Railway to Salibagi is needed.

10. There is lot of potential for income generation through trout farming, apiculture, olive oil production etc. For this purpose the Department concerned need to be activated and staff deployed.
11. The primary School building at Soosni (an abandoned project) should be taken up again as the small kids have to move 3 to 4 kms. back and forth by foot through a treacherous path.
12. Efforts for improving water supply and electricity should be doubled by the Department concerned.
13. A good number of kids, expecting and lactating mothers are enrolled at ICDS centres .The infrastructure and facilities there shall be augmented.

Overall rating of the Govt.

It is around 4.
