B.V.R. Subrahmanyam, IAS

Chief Secretary
Jammu & Kashmir

Message

Jammu and Kashmir continues to witness a transformation of Panchayat Raj institutions ever since their constitution in 2011 through the list of hybrid initiative – Back to Village – and the Government's decision of delegating Funds, Functions and Functionaries to PRs. gram panchayat has flourished in the Union Territory. As a next step in this direction, the phase 2 of the Back to Village programming is being implemented from October to early October 2020, which will give a deeper push to the institutionalisation of PRs.

While the first half focussed on interaction and information on local needs, the second half focussed on strengthening and institutionalising. Withhyatals, handholding the newly elected PRs and focusing on education and 100% coverage of individual beneficiary oriented schemes.

Now building on the foundation laid by PRs and PROs, the PRs have been elected as all India level coalition with its focus on implementation and execution. This coalition will aim to address grievances and needs by proactive action on the ground thus making it more walkable and action packed.

Further, local demands are being taken up through a three week long public grievance exercise – Akshay Yojana Mission, with its three concurrent and interconnected goals of public grievance redressal, public service delivery and delivery of development on ground. PRs is also an occasion to assess government functioning and service delivery through an unprecedented proactive Government-PR interface.

I hope all Panchayat representatives will use people to come forward and proactively participate in the program thereby making governance more participatory, transparent and accountable.

I also urge the District Commissioners to encourage the staff or officers to various Panchayat Halls for better subsidies and ensure adherence to COVID-19's while attending various schemes activities.

I am confident that the people and officials alike will once again rise to the occasion and validate the success of earlier PR's programme.

(B.V.R. Subrahmanyam)
