III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	While conducting my 3 day visit to the Panchayat Khadmiya I assessed that participation of general public was almost nil prior to first two phases. I asked to village because people have completely lost faith that nothing is going to happen ^{as} because they believe action speaks louder than words. Not much have been done on ground on issues which were addressed during first two phases of B2V3 village. The my only suggestion is to change this notion by ^{my} actually doing on ground.
