NOTES

The panchayat Halga Zurbarn 'A' is situated at the top of the District Kupwara and the inner and main roads of village were maximum made by L&B and PMAY and the people are very gentle and co-operative. They ^{fully} participated in (B2V4) but raised many questions regarding the burning issue which were mentioned in the previous pages. Almost 30% of the work was done in the previous B2V1 2, 3 but the awareness very was not properly given.

Main work was unscheduled Biji/ electricity supply and the payment of SBM and PMAY always not given on the line. Overall visit remains satisfactory in good atmosphere.

BACK TO VILLAGE PHASE-I

NOTES

Overall assessment by the U/sd is that the people were not properly motivated and not given the awareness about ^{various} The Schemes run by The UT Govt or District. ^{whereas} The departments were already ^{informed of} by deputy commissioner for installations, ^{of} hants and exhibitions but none was there and making lane-excesses except one that is social welfare. Besides this the RDD deptt. is the back bone in the ~~seven~~ 7 construction & development sector but, unfortunately they didn't give information to people regarding the benefits of Back 2 village work and benefits.

It is only recommended for General awareness is given before going to Back 2 village and all depts will cooperate properly. The B2V or any will become successful.
