On visiting all the hamlets of the Panchayat Halqa Limber-A, consisting of 09 wards it was observed that the majority of the population of the said village are poor/below poverty line, and it was also noticed that the inhabitants have great expectations from the Govt. All the people were cooperative in the B2V4 programme and participated in the programme with great enthusiasm. The Panchayat committee was also very cooperative during the event.

It was also observed that the works/programmes reflected in ATR Sheets by different departments were present on ground and the quality of work is satisfactory. The people of the said Panchayat were disappointed and show anger, that their genuine demands reflected in previous Back to village programmes were not fulfilled at all, and people say that if the same happen to this programme we will lose faith in Govt. implementing agencies and will not take part in these programmes in future.

Hence it is suggested that the major organic demands raised in previous/current Back to village programme should be fulfilled.

Also awareness programmes regarding various Schemes may be held and attendance of employees in the said Panchayat may be improved.
