The Panchayat nekowal is the nearest Panchayat from Indo-Pak Border. The main occupation of the people of the area is agriculture / farming mainly growing Paddy & wheat. Production can be increased if sufficient water is made available by const. of check Dams on Aik nallah at Pyl. Nekowal to raise water level for lift irrigation which is the main demand of the people of the area besides const. of bridge over Aik nallah. The officers of the concerned dept. needs to be asked to inspect the site & get the estimates prepared so that work be taken up at an earliest.

Health centre is the 2nd main genuine demand of the area for space is available. In addition to the above Primary school building exists in Pyl. but condition of the building is very shabby which needs immediate action as there is no school in the Pyl. Nekowal & parents have to send their wards to ^{schools of} other Panchayats which are 2 km. away from Nekowal.

The above problems are required to be addressed on Top priority

Informal meetings with senior citizens, Govt. Employees, retired employees was held and discussions were held on Gandhi Katha, Nasha Mukti Abhiyan, Corruption free governance, doubling farmer's income

Villagers were asked to use the path of Satya(truth), Ahimsa(non violence) simplicity, faith on God, vegetarianism,honesty,forgiveness in their day to day life like Gandhi Ji did in getting India's freedom from Britishers.Gandhiji believed that non violence and tolerance require a great level of courage and patience. In a world that is moving through the phases of war marred by violence and terrorism, there is a significant requirement of Gandhian idea of Non violence more and more today than the past days

They were asked to take a pledge that they will not use drugs and committed himself/herself to consciously stay away from drug abuse and stay sober for a healthy lifestyle.

Discussion on corruption free governance was also held & participants were asked to strictly discourage this practice and disclose the name of officers/officials demanding bribe, if any, to ACB.

To double the income of farmers, it was impressed upon to increase crop productivity/livestock productivity to earn more and more profit.
