MySchemes

MyScheme a national platform that aims to offer one-stop search and discovery of the Government schemes, providing an innovative, technology-based solution to discover scheme information based upon the eligibility of the citizen was launched in the UT of Jammu & Kashmir by the Chief Secretary, J&K on 12-08-2022, thereby **J&K became first union territory among all the States/UTs to on-board its schemes on MyScheme portal.**

The easy user interface of myScheme help the citizens to find the right Government schemes by directing the citizen to the application page of the scheme of their choice, thereby not only reduces the time and effort of citizens in searching for appropriate government schemes but also guides on how to apply for different Government schemes. **Thus, no need to visit multiple Government websites.**

In the portal, schemes are available across a wide range of sectors such as

- Agriculture
- Rural & Environment
- Education & Learning
- Banking, Financial Services & Insurance,
- Social welfare, Revenue, Transport, Tourism etc

MyScheme offers a convenient three- step process for the citizens to discover the government schemes for which they are eligible i.e. the user enters his /her attributes such as demographic, income, social details, etc.; List of Schemes to look into; & the user can select from the list of eligible schemes and get detailed information regarding the scheme

The Unified Integrated Accessible, Transparent **portal (e-UNNAT)** with URL <http://eunnat.jk.gov.in/> developed, deployed and hosted in J&K State Data centre by Information Technology department, on-boarded with 107 online services fully integrated with **Meri Pechaan (National Single Sign On)** also provides a glimpse into the My Scheme portal of the Government of India by providing access to information on the schemes by re-directing through a single URL.

On MyScheme portal, UT of Jammu & Kashmir has on-boarded 10 Schemes of 6 Departments/Organisations. More Schemes will be on-boarded in due course of time. It is envisaged that in the upcoming phases, myScheme shall have the feature to apply for schemes from within the MyScheme Portal.
