BACK TO VILLAGE PHASE-IV (15TH OCT TO 3RD NOV)

NOTES

During the visit to the village Khavapara A in B.S.V.
the visiting officer found that many people are un-
aware of the most of the Schemes run by the
govt. The people somehow are familiar with some
schemes like MNREGA, 14fc, 15fc, Deendayal NARAYAN

The people (common masses) must be made aware of
the other schemes as well. The govt should take
initiatives through different awareness camps like, Janak
jambhazdari. The people need a Society corruption
free and which should be beneficial for all.

The people of the village are very much worried
about their children and their future, as the
youth of village is very much involved in the menace
of drug addiction. But the people don't approach
to any law agency or police to inform with
the apprehension of loss to their life &

Back to village is a very good initiative and hailed by the common masses. But some also complain that the demands they gave in B2V1, B2V2 & B2V3 were not fulfilled & they want early redressal of their problems & demands. The people were also not interested to participate in B2V4 because they thought that their demands & problems were not fulfilled. Though it was a good experience and I as visiting officer enjoyed the interaction with people & employees of different departments. I as visiting officer also made aware people about different schemes as per govt & asked people to participate in govt run schemes.

NOTES

Back to village a very good & productive initiative taken by the govt. so the govt. should ^{also} redress all the problems of the people to make it inclusive. The people of the village demanded rehabilitation centre for the drug addicts. The demand of the people for a link road from Leharpura to degree college lands must be fulfilled. The people also demanded & suggested stern action against the drug peddlers. I also suggest that that the govt tackle this problem seriously. Police should act boldly & there should be no corruption involved while dealing with such cases. The police & some other departments should be made corruption free. People have trust deficit of some departments like R.O.D, police etc.
