NOTES

① Construction of Panchayat school is one the leading issue of the Panchayat, because all the activities are carried out in the premises of BHS school which are affecting academic activities of the innocent kids.

② NTPC is totally non-functional due to fear of building staff, equipments particularly a women folk face many problems.

③ The transmission of electricity may be repaired and old damaged lines may be replaced.

NOTES

A) development work provided by government are appreciable and the needs of the people are not fulfilled as per the demands. People are not satisfied by the government programmes.

B) The development work through parastatals are satisfactory. But as per the suggestions are concerned, all other departments should be involved for providing income avenues for the general public.

C) Due to non-availability of land, Govt. buildings could not be constructed, so if possible demarcation of state land may done on priority basis.

D) A fraction of people complained that their cars have changed due to some unknown reason to scammers which swindle them in every aspect. So it is

required to get them corrected and help the people to get their cars that they are not getting any more. MAY as their cars are sc.

MESSAGE

After tremendous success of B2V3, the UT government led my Honble LG Shri Manoj Sinha Ji sir is vigorously launched Fourth phase of this 8-day long programme of Back to Village (B2V4) commencing from 27th October, 2022. The programme mainly focuses on four broad objectives-

- Energizing all 4291 panchayats of the UT
- Collecting quality feedback on delivery of various government schemes
- Capturing economic potential of the panchayats to synchronize them with decentralization goals
- Undertaking unbiased assessment of needs of villages

Worthy Chief secretary of Jammu and Kashmir, Shri Arun Kumar Mehta Sir has stressed that public feedback about the working of government offices in local areas is a significant component of policy making regarding which this programme will play a key role. Other than this, spreading and valuating awareness among masses about all online portals and prompt services offered by the government and promoting digital literacy and inclusion among the villagers to take benefit of government services and deliverables efficiently would be significant part of this Jan Abhiyan.

The programme methodology covers major visits by various bureaucrats to languishing projects and leading institutions in the panchayat in order to assess the ground situation and submit a comprehensive report regarding the success of various schemes including a holistic view while celebrating involvement of all stakeholders in the policy making. In Kupwara district, 33

prominent officers will be visiting different panchayats. Worthy Deputy Commissioner has expressed his desire to specify exact locations of the programme in such a way that a diversified perspective can be collected. As this is a joint effort and an important outreach initiative to tailor the themes according to ground realities and improve overall efficiency of service delivery and hence ensure good governance, it is outrightly inevitable that all supporting staff has to ensure that all necessary interactions are facilitated in a way which ensures another massive response along with achievement of all objectives envisaged by visiting officers.
