Visiting officers assessment and suggestions

After visiting Halga Anzwalla 9 found the road from Hung Bridge to Anzwalla is too narrow, it needs widening and cutting of trees on both sides, which is also a long pending demand of the Halga. There is a lot lack of awareness among people regarding health, horticulture, animal husbandry and various new schemes. People should be made aware about various schemes. People should be provided information about commercial value of floriculture and marketing facilities. Health and wellness center requires equipments and a yoga room. Aadhar numbers are not available at CSC. Animal Husbandry department has got one attendant deputed from main centre Anchidara. However, a qualified and expert person needs to be posted at this centre. Middle School needs separate toilet facilities for girls. Floors of the school are damaged and need repair. Community Hall should be constructed, disaster management plan and children's park should be constructed. Street lights should be made available for public safety.

P.T.O.

one of the major problem that has been already enlightened in previous 'back to village' is that of water supply schemes. This problem should be redressed as early as possible.

For bringing transparency the list of beneficiaries under different schemes should be posted on panchayat walls.

The delay in the services of Social welfare department, delayed payment of widow pension, old age pension should be addressed.
