Governance at doorsteps

15TH OCT to 3RD NOV, 2022

MESSAGE

On the tremendous success of B2V3, the UT government led by Hon'ble LG Shri Manoj Sinha Ji sir has successfully launched Fourth phase of this 8-day long programme of Back to Village (B2V4) commencing from 27th October, 2022. The programme mainly focuses on four broad objectives:-

Surveying all 4291 panchayats of the UT

Collecting quality feedback on delivery of various government schemes

Assessing economic potential of the panchayats to synchronize them with decentralization goals

Undertaking unbiased assessment of needs of villages

Worthy Chief Secretary of Jammu and Kashmir, Shri Arun Kumar Mehta Sir has stressed that public outreach about the working of government offices in local areas is a significant component of policy making regarding which this programme will play a key role. Other than this, spreading and creating awareness among masses about all online portals and prompt services offered by the government and promoting digital literacy and inclusion among the villagers to take benefit of government services and deliverables efficiently would be significant part of this Jan Abhiyan.

The programme methodology covers major visits by various bureaucrats to languishing projects and leading institutions in the panchayat in order to assess the ground situation and submit a comprehensive report regarding the success of various schemes including a holistic view while ensuring involvement of all stakeholders in the policy making. In Kupwara district, 33

Government officers will be visiting different panchayats. Worthy Deputy Commissioner has stressed his desire to specify exact locations of the programme in such a way that a diversified perspective can be collected. As this is a joint effort and an important outreach initiative to tailor the themes according to ground realities and improve overall efficiency of service delivery and hence promote good governance, it is outrightly inevitable that all supporting staff has to ensure that all necessary interactions are facilitated in a way which ensures another massive response along with achievement of all objectives envisaged by visiting officers.
