School Walling :- It is one of the major issues of the school, as the school is located on the road in one side and on the other side the school is located on the Banks of river Arpat.

Minor repairment in class-rooms, bath-room, wash-rooms and the Kitchen shed :- These things were constructed about 12 years ago, so these things need minor repairment.

Additional class rooms :- As the primary school padalerpora is also clubbed with this school, only 04 four rooms are used for instructional purposes for 09 Nine classes and two schools.

Computers / laptops :- As the modern age is the age of ICT, so these things are necessary for the school.

Grill for corridors and main stairs :- It is a life saving thing, the students are always in a great threat to fall down from the stairs and the corridor.
