Overall assessment of the visit and suggestions:

- The Back to Village programme is deemed as a progressive step taken by Govt. The people have told that they have got a ~~chance~~ best chance to bring their unfulfilled demands before the various departments.

As a good will programme maximum departments gather together and bring common masses about their programmes. In meeting the developmental works taken and deficiencies are discussed/discussed jointly. The suggestions from all concerned for the redress of demands brought out.

Common people have high expectations of the Govt. They wish their major demands of developmental nature be fulfilled at priority.

The all stakeholders stressed that the unfulfilled demands as quoted above (1) be fulfilled in the programme Back to Villages. People are appalled by the present Govt. They are demanding that the demands put forth by the villagers be fulfilled at an earliest so that faith in God governance is kept up.
