### Overall Assessment of the Visit

As this edition of B24 was oriented on Youth, Skills & Self employment, Good Governance & Panchayati Raj, Nasha Mukti, Rozgar, Yukt Jisk. The youth showed a keen interest in grabbing the opportunities of self employment schemes & registered themselves.

The panchayat is women empowered as it is being led by a female Sarpanch. A large number of women have registered in the UNITEED & there are around 88 women in 9 groups & have started self employment ventures to run their families.

The panchayat has a potential to become a Horticulture & Fisheries Hub. Lemon & Anlok are 2 horticulture items that have shown promising growth in the area.

Development of fish pond in the area can generate employment for local unemployed youths.

Health Sector is poorly developed in the area causing people to suffer & they have to travel to the District Headquarter for even a first Aid.

### Suggestions:

As there is a steep inc. in the number of the unemployed youths & to save them from the menace of drug abuse they must be involved in developmental works.

Focus must be Horticulture as there is a great demand for such products locally & nationally.

School infra. needs to be upgraded along with the school building with a road approaching to school.

- 2 Tourists sites need to be developed — Jalyarnaag — PandavDarg

- Block topping of the left out portion is causing distress to the communities.
