Overall assessment of the visit and suggestions:

(The visiting officer to ensure that the overall assessment is recorded in details along with concrete suggestions)

The overall functioning of PRI, is quite good in coordination with Gen. public and Govt Deptt functional at Panchayat level. It has been observed that the inhabitant of panchayat are lacking the basic facilities of health and telecommunication. Besides internal road connectivity, poor infrastructure in the schools and dearth of staff of various Deptt. which has resulted in achieving the desired results in providing the employment opportunities among the youth. The focus be given on registration of youth in self employed schemes launched by Govt for uplifting the socio-economic conditions of residents. The overall demands, reflected during B2V1, B2V2, B2V3 has poorly been redressed. The public has appreciated the UT Govt for organising such types of programme i.e. Back 2 Village for arousing the masses about various schemes under implementations for welfare of the public.
