Overall Assessment of the Visiting Officer.

The Adwah village is very near to the Ramban town. but was neglected either by Govt or ignorance of development by the public of Adhwa Panchayat. Being a village of Mountainous terrain with out any proper road connectivity.

- There is no health services in the panchayat Adhwa. There is urgent need of Road Connectivity & Health services. To uplift the people of area the prime demand and complain of the panchayat is road connectivity & need to be assessed soon by the concerned quarters. The most backward & poor people living here and their day to day life is so hard & to uplift the people of area they need link road from Ramban to Barunikan. The head load of material is very high. The govt should give preference to this village as it is hardly five to six km away from Dist. H.Q. Grinencest representations enclosed.
