V. A. S.

### MySchemes

MyScheme a national platform that aims to offer one-stop search and discovery of the Government schemes, providing an innovative, technology-based solution to discover scheme information based upon the eligibility of the citizen was launched in the UT of Jammu & Kashmir by the Chief Secretary, J&K on 12-08-2022, thereby J&K became first union territory among all the States/UTs to on-board its schemes on MyScheme portal.

The easy user interface of myScheme help the citizens to find the right Government schemes by directing the citizen to the application page of the scheme of their choice, thereby not only reduces the time and effort of the citizens in searching for appropriate government schemes but also guides on how to apply for different Government schemes. Thus, no need to visit multiple Government websites.

In the portal, schemes are available across a wide range of sectors such as

1. Agriculture
2. Rural & Environment
3. Education & Learning
4. Banking, Financial Services & Insurance,
5. Social welfare , Revenue, Transport, Tourism etc

**MyScheme** offers a convenient three- step process for the citizens to discover the government schemes for which they are eligible i.e. the user enters his /her attributes such as demographic, income, social details, etc.; List of Schemes to look into; & the user can select from the list of eligible schemes and get detailed information regarding the scheme

The Unified Integrated Accessible, Transparent portal (**e-UNNAT**) with URL <http://eunnat.jk.gov.in>, developed, deployed and hosted in J&K State Data centre by Information Technology department , on-boarded with 107 online services fully integrated with **Meri Pechaan (National Single Sign On)** also provides a glimpse into the My Scheme portal of the Government of India by providing access to information on the schemes by re-directing through a single URL.

On MyScheme portal, UT of Jammu & Kashmir has on-boarded 10 Schemes of 6 Departments/Organisations. More Schemes will be on-boarded in due course of time. It is envisaged that in the upcoming phases, myScheme shall have the feature to apply for schemes from within the MyScheme Portal.

**Subject:** Conduct of meeting of Biodiversity Management Committee (BMC) during Fourth Phase of Back to Village Programme (B2V4).

The Government of J&K has constituted Biodiversity Management Committees (BMCs) in all the 4,290 Village Panchayats and 76 Urban Local Bodies (ULBs) as per the Biological Diversity Act, 2002 & Rules, 2004 for conservation and sustainable use of biodiversity. The BMCs are mandated to document the biodiversity (all life forms, plants, and animals) under their jurisdiction in the form of Peoples Biodiversity Register (PBR). The PBRs have already been prepared for all the Village Panchayats, however being a dynamic document, it is updated periodically. Other responsibilities of BMCs are:

1. Conservation and sustainable utilization of biological resources.
2. Eco-restoration of local biodiversity.
3. Documentation & protection of traditional knowledge.
4. Management of biodiversity heritage sites.
5. Conservation of traditional varieties/breeds of important plants & animals.
6. Biodiversity education & awareness creation.

As per the Operational Guidelines issued by National Biodiversity Authority, a BMC shall hold minimum four meetings in a year and meet at least once in 3 months. Hence, it is advised to all the officers/officials nominated for the "Fourth Phase of Back to Village Programme (B2V4)" to attend the meeting of Biodiversity Management Committees of the villages allotted to them and deliberate on issues pertaining to conservation of biodiversity and sustainable utilization of biological resources, besides creation of awareness on biodiversity. The meeting of BMC will be facilitated by Panchayat Secretary/MLW.

The agenda points that may be taken up during the meeting of the BMC are given as under:-

1. Creation of awareness on Biological Diversity Act, 2002 and functions of the BMC including their responsibility on documentation of biodiversity.
2. Listing of Vaidis, Hakims and traditional health care practitioners in the village.
3. Listing of individuals possessing traditional knowledge in the village.
