General Assessment and Suggestions (S.NO.III, Page 25)

Functioning of the Panchayat is satisfactory but there is a much scope for improvement to streamline the public services. Participation of public is moderate to low and there is much need to make efforts to build their confidence by addressing to grievances and genuine demands raised by the Panchayat. The progress of B2V program plans is dismal wherein only 01 work has been executed so far. The prevailing demands of the Panchayat are as under which need immediate attention.

1. Bank facilities/outlet/ATM at village/Panchayat Beoli as it is one of the biggest Panchayat having 09 wards.
2. Water supply schemes from Mandrala (Koti) to Wanda/Kashrayan.
3. Road connectivity to Bani Wanda/Hinshwah.
4. Shortage of sufficient Distribution transformer, along with poles and conductors.
5. Need of Reservoir at Berbagh 10000 gallons.
6. There is no Khidmat Centre in operation. CSC building complex is under dispute.
7. Public transport facility is very poor.
8. Need of link Road from zero point Nashla Road to upper Ber Bagh.
9. The Panchayat shaman has insufficient accommodation besides having no electricity and water. There is resentment over the compensation to the member of the family who has donated the land area.

10. The School premises at UPS Beoli needs to be upgraded to the level of Secondary School. Besides another UPS and Six other Primary schools are not in good condition and having no water and Electricity & toilets. Shortage of Maths / P.T teacher at Beoli besides having only 01/02 teachers available in Primary school in rotation.
11. Health Wellness Centre is housed in a Private single room. Need proper infrastructure facilities. Increase in Salary / Honorarium to ASHA workers is demanded and therefore recommended to Rs 5000/-
12. There is genuine demand of increase in the Salary / honorarium of Anganwari Workers to improve the level of services and livelihood. Besides they have not been paid for the last over 06 months.
13. Tourism potential can be explored in Bani area besides trek from Bani to Mushla to Lal Daman should be developed.
14. Awareness camps to be propagated on ward to ward basis to enable better delivery of schemes.
15. Grievances of financial liabilities of Narega works executed in 2017-18 and 2018-19 are still pending and need attention.
