III	<p><b>Overall assessment of the visit and suggestions:</b> (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions)</p> <p>The people of Panchayat Halqa have very high expectations from the Government. The people of the panchayat have reported that some works as reflected in the earlier Back to Village programs have been executed but still needs improvement. The major thrust is required for the improvement and development of infrastructure at PHC Gund by replacing the decade old equipments by latest machinery.</p> <p>Good Roads and quality education is considered back bone for the development of the nation therefor education sector is required to be improved by construction of additional educational blocks, libraries, computer Labs and adequate staff is need of the hour. The roads in the Gram Panchayat are in deplorable condition and needs immediate improvement by macdimization/mettling of the roads. The Gram Panchayat needs awareness about the Agriculture Schemes as the main source of income of the Halqa is from agriculture produce. They require hybrid seeds and advanced machinery for increasing agricultural produce.</p> <p>Sub Tribal Plan should be implemented at Doi pati halqa Gund A</p>
IV	<p>Overall Rating of Govt functioning as given by the Panchayat (Scale of 1 to 10) Six (6)</p>
