Major Demands

- ① One of the major issue which Malaga mazhama face is non-availability of drinking water facility. One overhead tank was approved and work was started slowly, so the concerned dept. should work fastly because the village has very urgent need of it.
- ② Second one is the NPHC completion because of said village's people are suffering lot of problems and also deployment of doctor and equipment and medicine is not sufficient on the old place which is burden problem of the said panchayat. Now the Dept. should solve this problem on priority basis.
- ③ 3rd major issue which said panchayat arises is the maddamisation of inner road of Budgam division which I personally seen and the demand is genuine so the concerned dept. needs to be solved on priority basis.

Although people participation remained good during BSVY programme, but the G.P. is not fully satisfied with the execution of works so far. The problems mentioned above should be met with most urgency. And also mangrega staff needs facilitated the programme of BSVY whole heartedly thereby fully deserve absorption in the RDD.
