Through this programme I got opportunity to meet Panchayat representatives, senior citizens, and other local peoples. A warm welcome by the RDO dept of local peoples. I got a chance to know the various problems faced by peoples. During this meeting peoples and participation with great enthusiasm. Their demands highlighted by peoples during previous B2V were not addressed properly. I observed the peoples raised so many problems such as road connectivity, potable water and shortage of medicines. The boundary wall of CHS Burai still yet not completed. It is suggested that through this programme the demands of peoples should be fulfilled. This feedback should be incorporated as much as possible in future development programme in this panchayat.
