

Back Village 4

Governance at doorsteps

15TH OCT to 3RD NOV, 2022

MESSAGE

After tremendous success of B2V3, the UT government led by Hon'ble LG Shri Manoj Sinha Ji sir has vigorously launched Fourth phase of this 8-day long programme of Back to Village (B2V4) commencing from 27th October, 2022. The programme mainly focuses on four broad objectives-

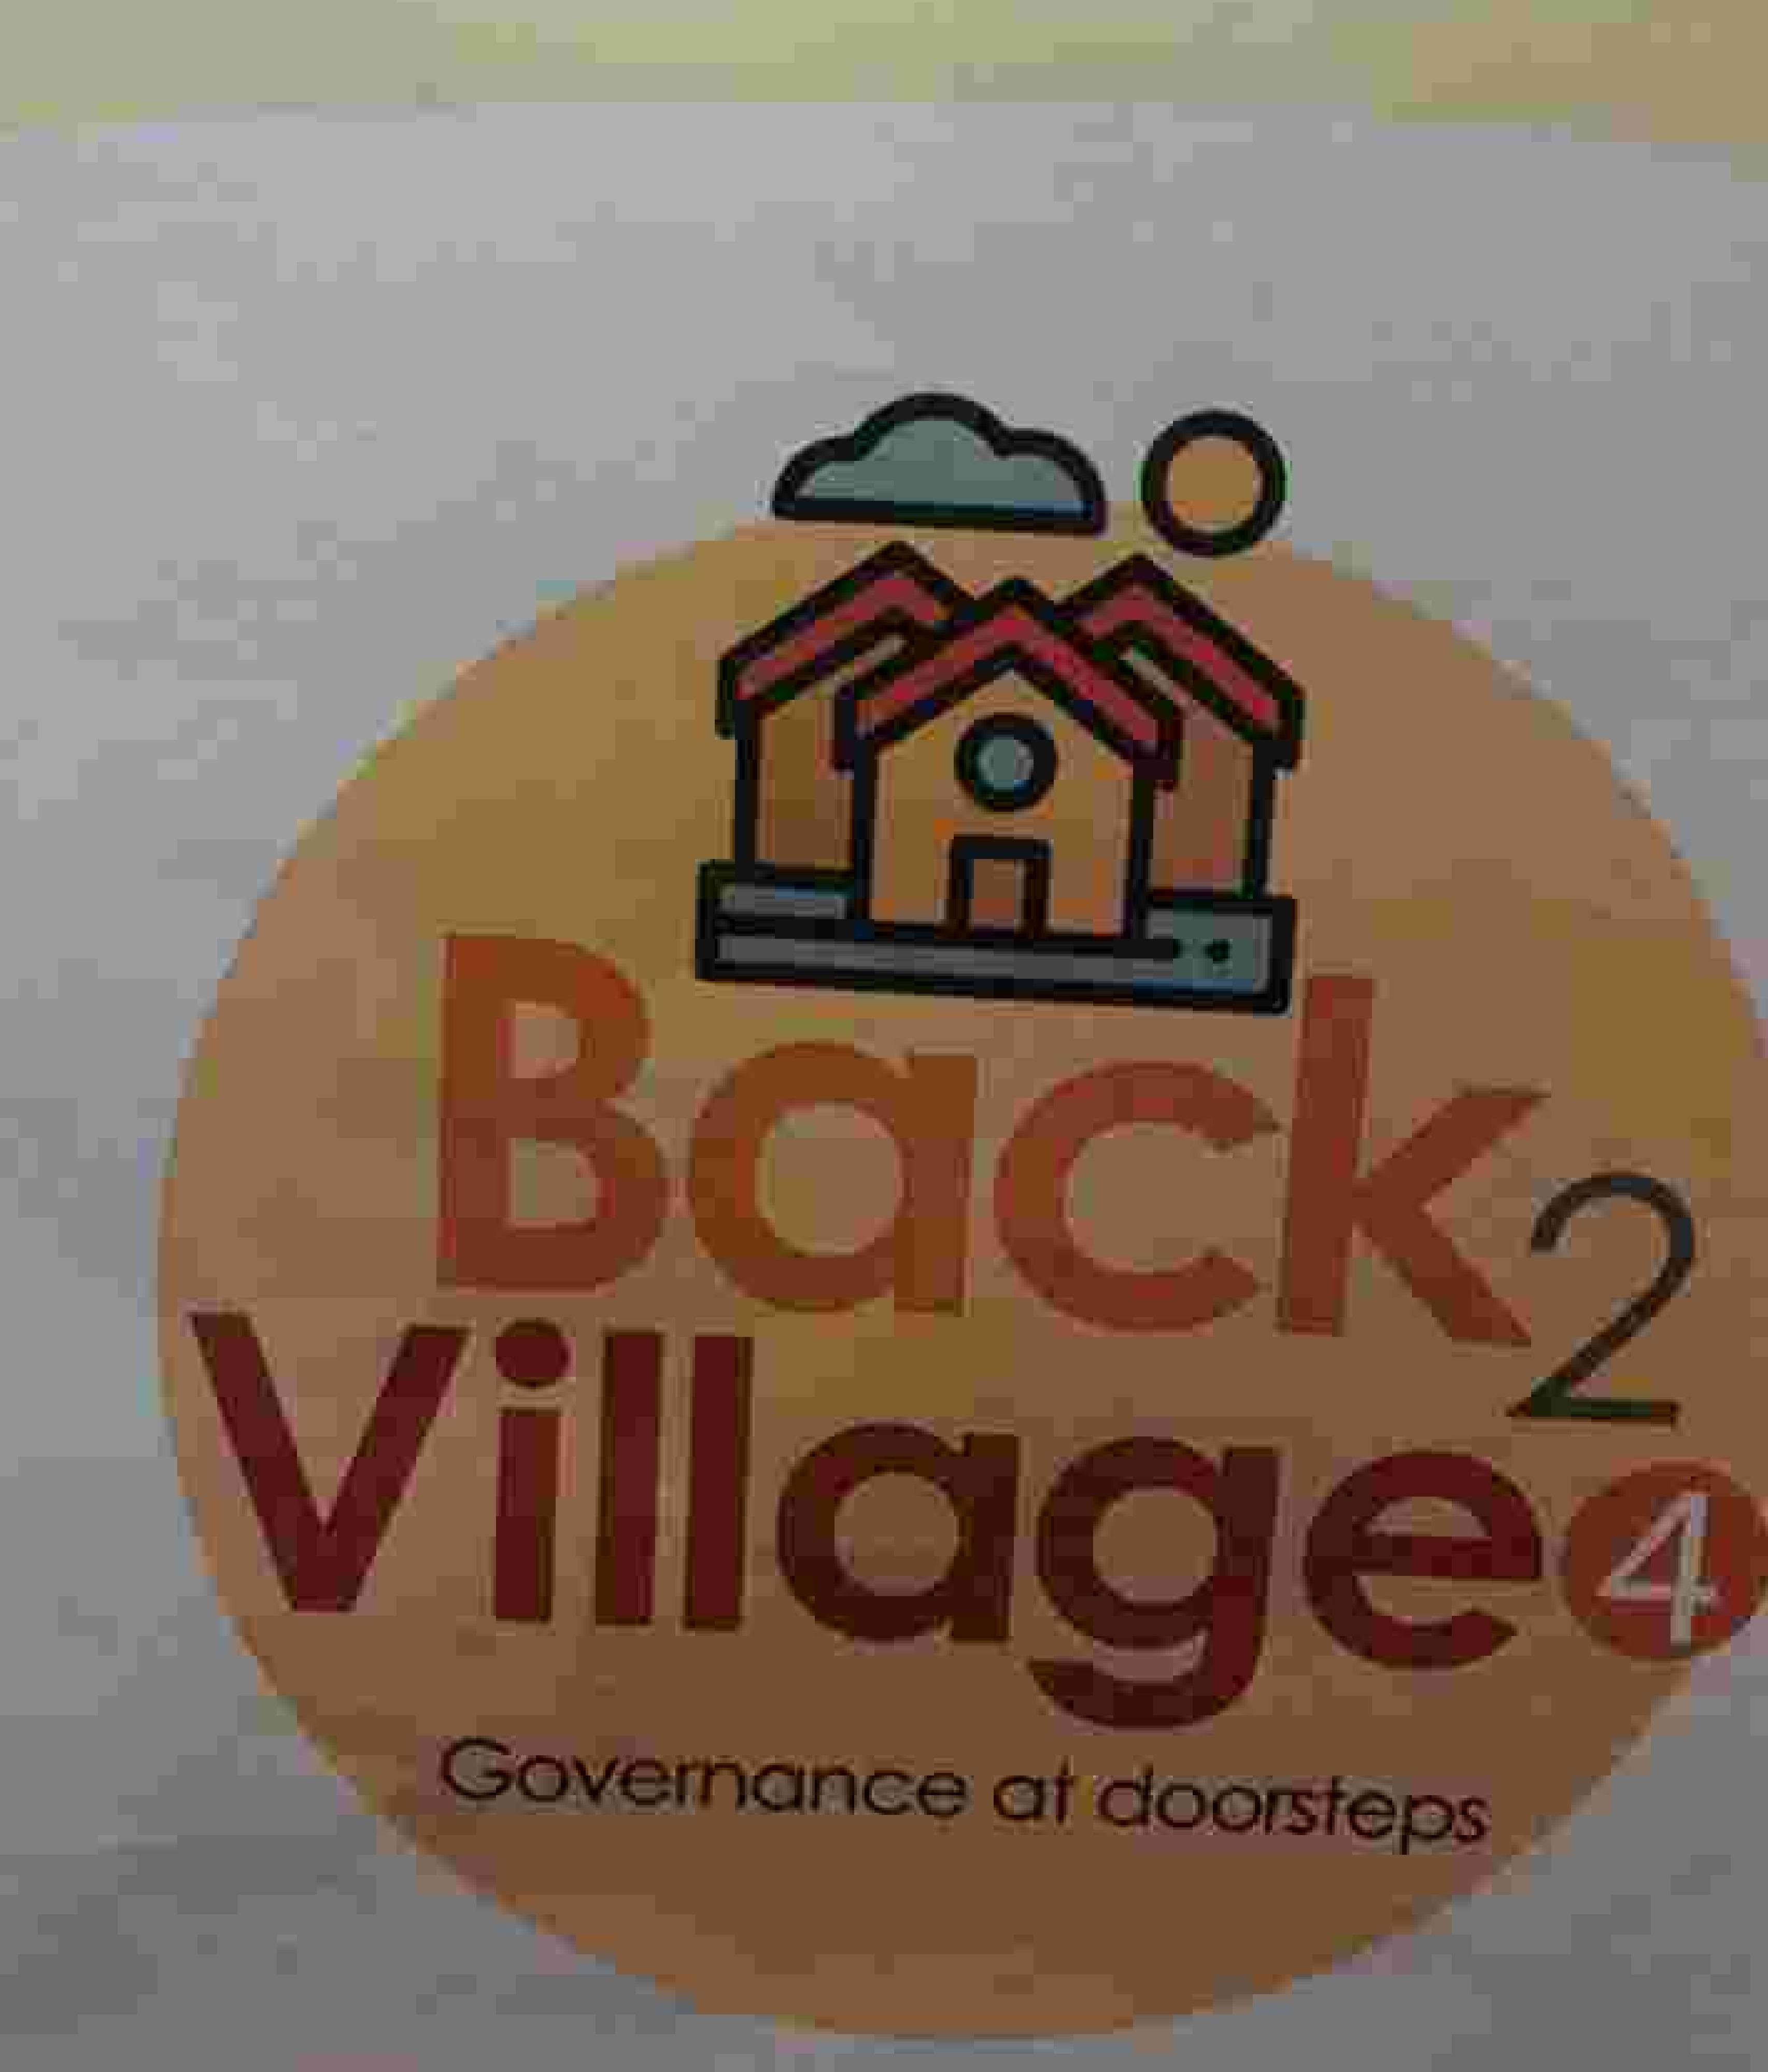

1. Energizing all 4291 panchayats of the UT
2. Collecting quality feedback on delivery of various government schemes
3. Capturing economic potential of the panchayats to synchronize them with decentralization goals
4. Undertaking unbiased assessment of needs of villages

Worthy Chief secretary of Jammu and Kashmir, Shri Anur Kumar Mehta Sir has stressed that public feedback about the working of government offices in local areas is a significant component of policy making regarding which this programme will play a key role. Other than this, spreading and evaluating awareness among masses about all online portals and prompt services offered by the government and promoting digital literacy and inclusion among the villagers to take benefit of government services and deliverables efficiently would be significant part of this Jan Abhiyan.

The programme methodology covers major visits by various bureaucrats to languishing projects and leading institutions in the panchayat in order to assess the ground situation and submit a comprehensive report regarding the success of various schemes including a holistic view while celebrating involvement of all stakeholders in the policy making. In Kupwara district, 33

prominent officers will be visiting different panchayats. Worthy Deputy Commissioner has expressed his desire to specify exact locations of the programme in such a way that a diversified perspective can be collected. As this is a joint effort and an important outreach initiative to tailor the schemes according to ground realities and improve overall efficiency of service delivery and hence ensure good governance, it is outrightly inevitable that all supporting staff has to ensure that all necessary interactions are facilitated in a way which ensures another massive response along with achievement of all objectives envisaged by visiting officers.

NOTES

It has been observed that only few demands of general public have been addressed in our programmes, as complained by the people, so general public seemed to be less enthusiastic this year. However it was seen that people still have faith in the Govt. and believed that if such programmes are implemented in true spirit, then they are really going to change their life altogether. So, the genuine demands which people put forward in these programmes must be addressed as priority tasks and thus it was also felt that there still exists lack of trust on Govt. officials, which can be eradicated only if the plans formulated by Gram Sabha and demands put forth by general public are addressed as priority tasks, which will thus give the people of such programmes of India, being of self Government and self-reliant country.
