General Assessment

Sandhi Panchayat is not well developed.

The main problem of this Panchayat is road conductivity.

Almost all departments lack providing departmental facilities.

The major reason is lack of awareness among the public regarding different schemes.

General awareness programmes should be conducted from all the department in the Panchayat so that people get awareness of the schemes. So that they may be able to get the benefits of the different schemes.

In Back to Village 4, Many Schemes have been told, which are started by the Government of India.
