III Overall assessment of visit and suggestions

Assessment

The Major demands raised during the Phase I, II, and III of Back to village programmes have not been addressed and no action has not been taken by the concerned department. So the same problems were again raised for the reduction in this phase B & V.

Suggestions

The inhabitants of this panchayat village belong to poor category/impoverished category. However, there are the potential for the development of the inhabitants of the panchayat village in various fields viz. Agriculture, Horticulture, apiculture, Sericulture, fishery, tourism etc. Hence the concerned department should come forward and take necessary action in the various above mentioned fields for the economic and overall welfare and development of this panchayat village.
