Overall assessment of the visiting officer
and suggestions

As per my assessment regard Itaka
Waltengo R is a far furlong area/snow
prone area in the Kund. Besides this
the area has good potential for eco-
-tourism, horticulture, cattle rearing. The
Govt should develop the tourism sector
especially Waisik Naag and organise the
the awareness camps regarding the Govt
schemes for the upliftment of the
area. Besides this the internet signal
is very poor, installation of tower is
the prior need so the people gets
benefited and connected to the whole
world. /
