Overall Assessment of the Visit and Suggestions

I visited Pgt. Halga Dessend on NOV. 02, 2022 and stayed there 5 PM next day i.e NOV 03; interacted with people, got officials, trying my best to know their perspectives, vistas viz-a-viz development of the said Halga.

Personally speaking, the Pgt. Halga is lagging behind i.e, not keeping up the pace with the village development schemes; people are being denied the very basic facilities - potable water, macadamized roads, playgrounds, services of banks, power supply, health services, waste management facilities etc.

People are depleted all over, target deficit loans, needs extra attention from the varied departmental officials. Government should reverse the rim and nothing but accountability can have positive results.
